and is planted your daily life.

SEED
CONTROL

YOUR HOME IN ONE TOUCH

From home and away, SEED makes control simple with everything need in a single, elegant app.

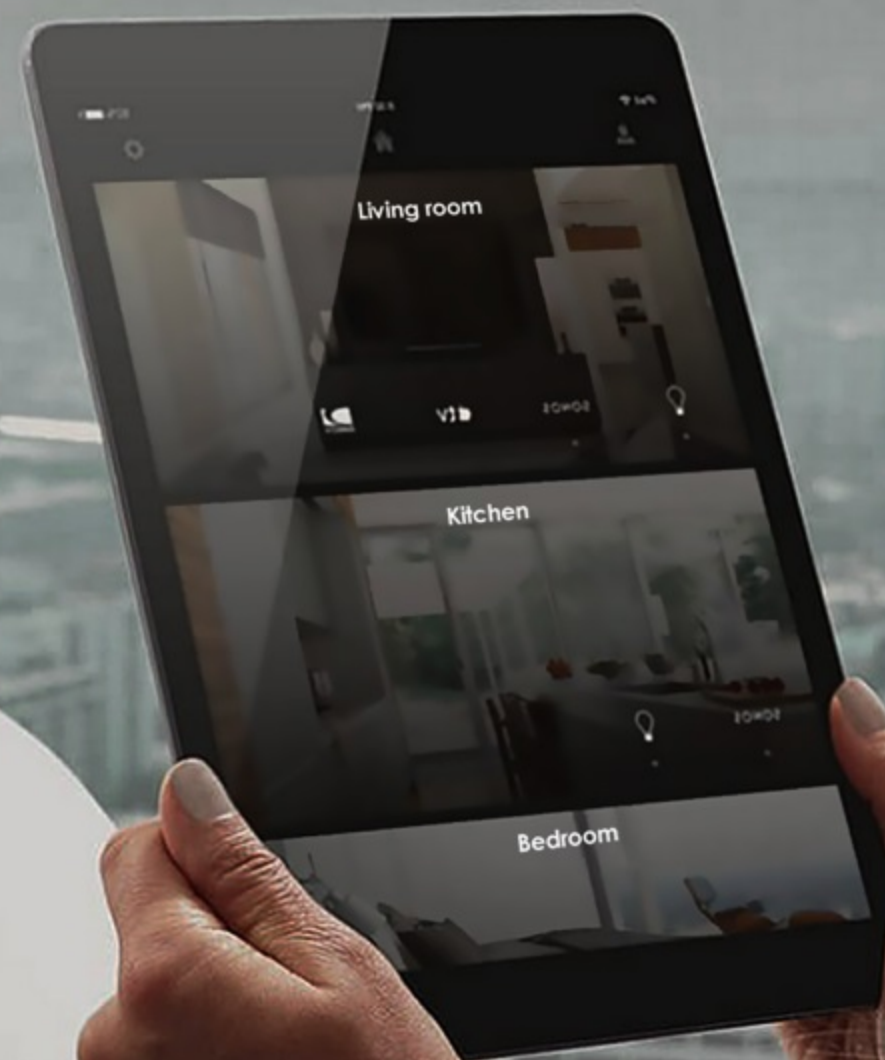

APP

SEED
CONTROL

SECURITY & MONITORING IS ALWAYS IN PLACE

When you are away from home and office,
you are safely and easily connected with SEED.

SEED
CONTROL

A cylindrical smart speaker with a perforated metal mesh is shown on a reflective marble surface. Next to it lies a smartphone displaying a music player interface. The background is a blurred bathroom setting with a white sink and a dark vase.

MUSIC TO MATCH ANY MOMENTS

When you are in the romantic bath, watching TV,
entertaining friends or hanging out with family.

SEED
CONTROL

A woman is sleeping peacefully in a bed with white linens. In the foreground, a smartphone lies on a wooden bedside table, displaying a control interface with buttons for 'HEAT', 'COOL', and 'FAN'. A lamp is partially visible on the right side of the table.

YOUR RIGHT TEMPERATURE

Is easily controlled whenever you are in home or away ...
